ABOUT VEKRASH BUILD SOLUTIONS PVT. LTD.

Vekrash Build Solutions possesses extensive experience and a proven track record in delivering a wide range of comprehensive engineering and construction services across key sectors. Our steadfast commitment to quality, compliance, and innovation enables our clients to explore new possibilities within their industries.

EXPERTISE

Pharmaceutical and Chemical Industries

We provide turnkey solutions specifically designed to meet the stringent demands of the Pharmaceutical and Chemical Industries, which include: -

- **Civil Services** for facility construction and infrastructure development
- **Provision of Equipment and Consumables** for processes, utilities, cleanrooms, and laboratories
- **Mechanical and Electrical Services** to ensure compliance and operational efficiency
- **Clean Room Services**, including design, installation, and validation
- **Fabrication Services** for customized structures and equipment
- **Laboratory Services** covering setup and technical integration
- **Office Interiors and Furniture** tailored to support pharmaceutical-grade environments

Solar System Solutions We offer sustainable solar energy solutions to accommodate a variety of commercial applications:

- **EPC Support**, encompassing complete Engineering, Procurement, and Construction services
- **Operation and Maintenance services** to guarantee long-term performance and return on investment

Commercial and Industrial Buildings Our expertise encompasses large-scale commercial and industrial projects, providing:

- **Civil Construction services** for robust and scalable structures
- **Electrical and Automation Services** to support efficient building systems
- **PEB and Fabrication services** for economical and rapid construction
- **Office Interiors and Furniture** designed to create functional and aesthetically pleasing work environments.
